Dear Career Day Sponsor,

On behalf of the University of Florida College of Pharmacy, I would like to invite you to participate in our Fall Career Days 2015!

Career Days will include all four campuses and will be offered on the following days:

- **November 2, 2015 – Gainesville (UF Hilton)**
- **November 3, 2015 – Jacksonville (Jacksonville campus – Banquet Room, Tower II, 10th floor)**
- **November 12, 2015 – St. Petersburg (St. Petersburg campus – Conference Center)**
- **November 13, 2015 – Orlando (UF Research and Academic Center at Lake Nona)**

Depending on your selection, your organization will have the option of attending as many sites as you wish, as each will have students looking for jobs and internships. Before each event, students will be informed which companies will participate at each campus. Therefore, each student will have the opportunity to visit the campus hosting the companies in which they are most interested. This includes students on rotations who may have the option to take a day off to attend the Career Day locations of their choice. Also, students may miss classes on Career Days to encourage more attendance.

To better guarantee your position at each career event, I would encourage you to consider a Gold Sponsorship. Gold Sponsors help to defray the costs of executing these events, with any additional funds going to support professional and leadership development activities for our students. Being a Gold Sponsor is also a great way to promote your company to our students.

**Gold Sponsor benefits include:**

- Ability to Pre-Screen Students!
- Additional Interview Slots
- Premium Exhibit Booth & Interview Locations at all four campuses
- Recognition in all print media (programs and signs), website and on-site at events
- Participation in Gold Sponsor Showcase – an opportunity to give a 15 minute presentation to students on Nov. 1 before the Gainesville Career Day
- Unrestricted representative attendance based on interview schedule

If you would like to participate, please complete the enclosed Gold or Silver Sponsor registration form and send to the Office of Development and Alumni Affairs. The form can be mailed, faxed or emailed (see registration form for details). Please arrange to have all payments received at the College of Pharmacy as soon as possible; **payments must be received no later than Friday, October 16, 2015 to secure your space**. Please note that space is limited in some locations and companies will be able to attend on a first come, first served basis based on sponsorship preference.

If you have any questions regarding sponsorship, please contact me at (352) 273-6605 or bhuyseman@cop.ufl.edu. Thank you for your continued commitment to our future pharmacists. We look forward to seeing you in November!

Sincerely,

Brynn Huysman, Assistant Director of Development & Alumni Affairs
