UF College of Pharmacy

Tuition and Fees Information – 2014-2015 Academic Year

**Resident Tuition and Fees**

The following tuition and fee information is based on an Annual Charge as established by the Board of Trustees of the University of Florida and the State Legislature.

**Gainesville Campus**

- Resident Tuition: $19,844.74
- Capital Improvement: $243.36
- Student Financial Aid: $992.22
- Technology: $157.50
- Activity and Service: $654.84
- Athletic: $68.40
- Healthcare Access: $537.48
- Transportation: $320.76

**Total**: $22,819.30*

*Additional fees will be added to this total in the following manner:

- Laboratory fees of $6.00 per student for supplies in IPPE I-IV courses.
- Laboratory fees of $50 per student for supplies in Pharmaceutical Skills Labs I and II.
- Distance learning video technology fee of $42.57 per credit hour for selected courses in the PharmD curriculum. (1PD year = 28 credits = $1,191.96; 2PD = 31 credits = $1,319.67; 3PD = 17 credits = $723.69; 4PD = 6 credits = $255.42)
- MCB 5252 Microbiology/Immunology 4 credits at graduate tuition and fees rate per credit hour ($528.41 x 4 credits = $2,113.64) for the spring semester of the first professional year. Since MCB 5252 is a course in the College of Agriculture and Life Sciences, the graduate tuition and fees per credit hour for this course are not under the Annual Charge tuition and fees in the College of Pharmacy. Only selected professional level PHA prefix courses in the PharmD curriculum are covered under the Annual Charge.
### Jacksonville, Orlando, and St. Petersburg Campuses

*The annual tuition and fees at the distance education campuses do not include the transportation and healthcare access fees since pharmacy students at these campuses cannot conveniently utilize these services in Gainesville. Pharmacy students at the distance education campuses may pay a healthcare access fee to utilize services at the student health centers on the UCF and USF campuses. Pharmacy students at the Jacksonville campus may pay a healthcare access fee to utilize the services at UF Health at Jacksonville.*

Additional fees will be added to the $21,961.06 in the following manner:

- Laboratory fees of $6.00 per student for supplies in IPPE I-IV courses.
- Laboratory fees of $50 per student for supplies in Pharmaceutical Skills Labs I and II.
- Distance learning video technology fee of $42.57 per credit hour for selected courses in the PharmD curriculum. (1PD year = 28 credits = $1,191.96; 2PD = 31 credits = $1,319.67; 3PD = 17 credits = $723.69; 4PD = 6 credits = $255.42)
- MCB 5252 Microbiology/Immunology 4 credits at graduate tuition and fees rate per credit hour ($504.57 x 4 credits = $2018.28) for the spring semester of the first professional year. Since MCB 5252 is a course in the College of Agriculture and Life Sciences, the graduate tuition and fees per credit hour for this course are not under the Annual Charge tuition and fees in the College of Pharmacy. Only selected professional level PHA prefix courses in the PharmD curriculum are covered under the Annual Charge. For pharmacy students at the distance education campuses the transportation and healthcare access fees are subtracted from the graduate tuition and fees per credit hour.
- Facility fees to utilize and maintain the buildings at the distance education campuses in Jacksonville, Orlando, and St. Petersburg are charged on a per credit hour basis (JAX = $9.80 per credit hour; ORL $3.47; STP = $3.11 per credit hour).

**Comments:**

The Bursar’s Office can be contacted about questions regarding tuition and fees. The data above are presented as an understanding of information provided by the Bursar’s Office. If there are any differences between the data shown above and the data provided by the Bursar’s Office about tuition and fees, the data by the Bursar’s Office should be accepted.
Students who are out of curricular sequence and take less than 12 credits in a semester are charged a prorated tuition and fee amount per credit hour based on the annualized tuition and fees.

Annualized tuition and fees cover the tuition for APPE courses in the summer semester of the third professional year.

Students in combined degree programs (PharmD/MBA, PharmD/MPH, PharmD/PhD) pay tuition and fees at the graduate rate per credit hour. These students will need to pay tuition and fees for APPE’s in the summer semester following the 3PD spring semester since they are not paying annualized tuition and fees.
Non-resident Tuition and Fees

*The fee waiver applies only to entering non-resident students from other states in the USA for fall semester 2014.

**Additional fees will be added to this total in the following manner:

Laboratory fees of $6.00 per student for supplies in IPPE I-IV courses.

Laboratory fees of $50 per student for supplies in Pharmaceutical Skills Labs I and II.

Distance learning video technology fee of $42.57 per credit hour for selected courses in the PharmD curriculum. (1PD year = 28 credits = $1,119.96; 2PD = 31 credits = $1,319.67; 3PD = 17 credits = $723.69; 4PD = 6 credits = $255.42)

Facility fees to utilize and maintain the buildings at the distance education campuses in Jacksonville, Orlando, and St. Petersburg are charged on a per credit hour basis (JAX = $9.80 per credit hour; ORL = $3.47; STP = $3.11 per credit hour).

MCB 5252 Microbiology/Immunology 4 credits at the non-resident graduate tuition and fees rate per credit hour ($1,253.13 x 4 credits = $5,012.52) for the spring semester of the first professional year. Since MCB 5252 is a course in the College of Agriculture and Life Sciences, the non-resident graduate tuition and fees per credit hour for this course are not under the Annual Charge tuition and fees in the College of Pharmacy. Only selected professional level PHA prefix courses in the PharmD curriculum are covered under the Annual Charge.
