Portfolio – Alternate Format for Documenting General Presentations and/or Projects

Rotation: __________________________
Evidence Number: ___ (Typically at least 2 evidences are required for electives and may be required on other rotations)

Student Reflection – Write a response to each of the following:

Describe the most important pharmacy/therapy principles you learned in doing this presentation or project.

Reflect on feedback you received from your preceptor about your presentation/project and list the areas of strength.
If no areas of strength were identified by your preceptor, write "in progress."

Reflect on feedback you received from your preceptor about your presentation/project. Based on feedback from your preceptor, how can you improve your skills? If you did not receive feedback for improvement, reflect on your next steps for developing expertise related to the presentation/project topic.
